Organisation's Profile

How would you describe the activities provided to adult learners by your institution?

How would you describe the context in which your institution operates?

Does your institution already have experience in European co-operation activities?

Empresa Municipal de Habitação Social (Housing Municipal Council) Belonging to Funchal Town Hall, is a judicial, administrative autonomous, financial and patrimonial Council. Its aims are the housing social project, management of the housing area of the City Council and the social work with families living in these quarters. The Council has as Mission the Integration, development and empowerment of people from disadvantages background.

We work with people from disadvantages backgrounds we have 1227 families living in our social houses and our aim is to give them skills to live in Community, we give social houses to people that don't have conditions to rent or to buy one but our mission is to promote in them social and professional skills. To implement our adult education we have Social Centers in total of 7 centers where we provide activities in different areas:

Health, Education, Training, Environment, Sport, Social - Cultural Activities, Social Skills, Parental training and Plastic Arts and has been aimed at several target groups namely children, youngsters and adults/ elderly.

2- we operate in local context with the families that live in our social houses, Adults, Senior, Youngster's and children's

3- We already host volunteers from European Volunteer Service – Youth in Action Programme in our Social Centers, and from Eurodisseia Programme
