

Dear Sirs,

here Simona Rossi contacting you on behalf of Project Ahead, cooperative society based in Italy working in the field of European programmes and projects development.

We contact you to ask your support in finding a trustable and available partner from Greece willing to develop a transnational project within the GRUNDTVIG Programme -multilateral projects action.

Profile of the organization we would like to insert in our consortium is:

- Experience in the field of European project management focus adult education
- Experience in dealing with minorities issues and social inclusion. Focus: Roma Greek communities.
- Availability in participating in transnational activities
- Availability and experience in organizing project actions in Greece.

We are in the phase of partnership building but the core topic of the project will be self-employment and job coaching to support working integration of adult Roma in the national contexts of reference.

Trusting in your answer and hoping we will be able to insert Greece in our action.

Best Regards

Simona Rossi
