## ECTS DS Selection 2012 & 2013

### Counselling role of the National Agencies

- Review all preliminary applications received
- Provide recommendations to applicants to ensure compliance with Label Criteria
- Submit all final applications to EACEA by October 1st.

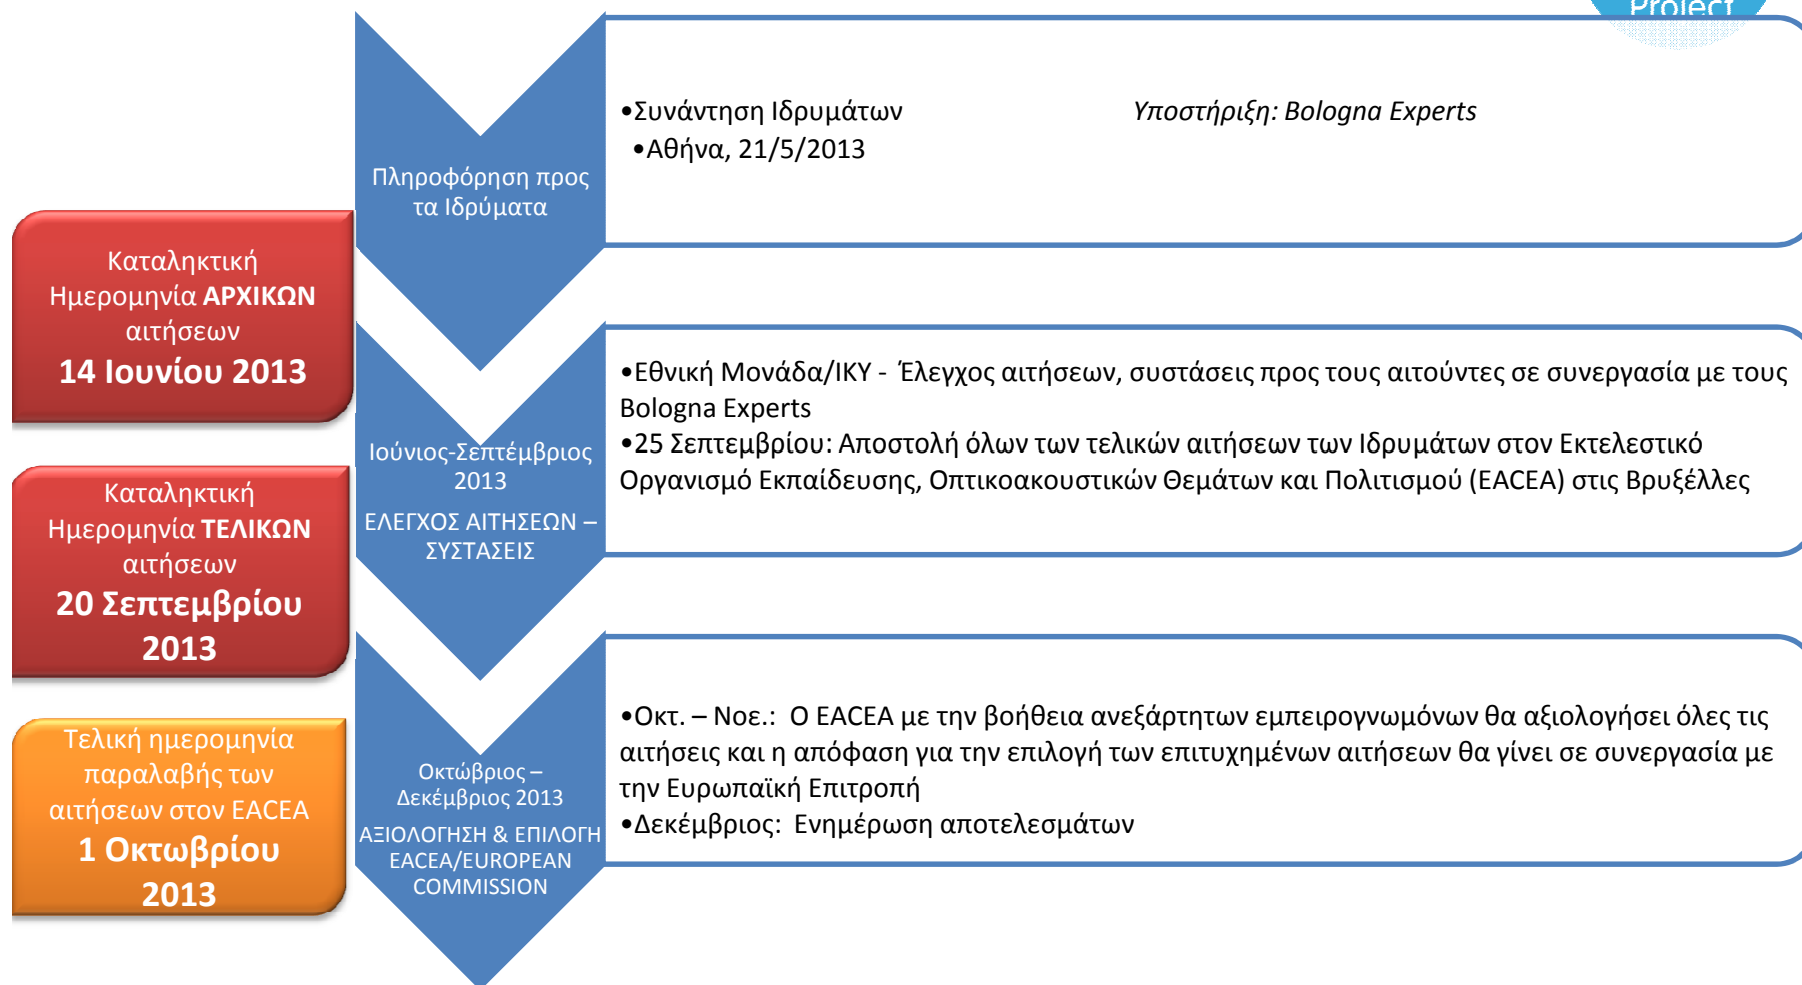

**EACEA**  
Education, Audiovisual & Culture  
Executive Agency

- Check the compliance of all final applications received with the eligibility criteria
- Organise and coordinate the evaluation exercise with the support of a panel of independent experts

- Take the final decision on the award of the ECTS and/or DS labels on the basis of the recommendations of the ECTS/DS Evaluation Committee
- Provide results and feedback to all applicants

## ASSESSMENT criteria - ECTS Labels

The evaluators should focus on:

### 1. Information Package/Course Catalogue:

It should contain complete and good quality information on the institution, on degree programmes & general information for students. It should be available in English for all first and second cycle degree programmes offered (and/or all one-tier programmes if these are still on offer).

### 2. ECTS files of outgoing students:

The application should include **3 certified** (signed, dated and stamped) **ECTS files of outgoing students** including Transcript of Records before and after the mobility; Learning Agreement/Training Agreement & proof of recognition.

### 3. ECTS files of incoming students:

The application should include **3 certified** (signed, dated and stamped) **ECTS files of incoming students** including Transcript of Records after the mobility & Learning Agreement.

## **ASSESSMENT criteria - DS Labels**

The evaluators should focus on:

### **1. Conformity of the 4 DS copies submitted with the standard DS model:**

- The preamble of the DS copies provided should comply with the DS model developed by the EC, CoE & UNESCO/CEPES.
- The content of the DS copies provided should comply with the DS model content.

### **2. Confirmations made by the applicant:**

- The applicant should confirm that all students of the applicant institution receive DS automatically and free of charge upon graduation.

### **3. Public Information on the DS:**

- The webpage of the applicant should state that the DS is issued in a widely spoken European language, given automatically and free of charge to every student upon graduation & should include a duly completed example of a DS.

# Areas of improvement

*Σχόλια από τον EACEA:*

- «All 8 sections and their subsections are completed, with the exception of the degree learning outcomes in sub-section 4.2
  - which are limited and should be further elaborated
  - should have been described in a more detailed way»
- «In section 2.1 and 2.3, the institution should mainly include the requested information in the original language»
  - 2.1. Πτυχίο (Ptychio) Diploma
  - 2.3. Πανεπιστήμιο .... (Panepistimio.....)  
University ..., State University

# Areas of improvement -

*Σχόλια από τον EACEA:*

- «The applicant should note that the slight variation to the model DS in the first sentence of the preamble could be corrected for future DSs».
- «Instead of one, four DS examples appear in the Institution's webpage, including the Transcript of records in 4.3»
- «In subsection 4.2. the applicant added the word "AIMS". This is not accepted following the explanatory notes of the application».
- «In 4.3 the whole part regarding the old ECTS Grading scale, must be deleted from future DSs».
- «In 6.1. there should be "n/a" because the information provided by the institution does not correspond to the explanatory notes of the application for 6.1. Section»

The logo for the Higher Education Reform Project consists of four overlapping circles in shades of green, pink, blue, and purple. The text "Higher Education Reform Project" is written in white, stacked vertically within a large blue circle that overlaps the other three.
